Must include pictures of merchandise or a link to see your merchandise

Please list **ALL** merchandise that you plan to sell at Jingle Bell Market. For example, if you state on the application that you are going to sell ladies boutique clothing and handbags, please do not come the day of the show with jewelry and picture frames in addition to what you said you were going to sell. We try very hard to make sure that we do not have a lot of duplication and that we do not have booths in the same area with the same type of merchandise. We need your help to do that. **NO TENTS OR TENT FRAMES** may be used inside the Muse Center. Please use racks, pegboard, shelving and other more attractive ways to display your items. **We DO NOT accept home party merchandise such as: Avon, Mary Kay, LulaRoe, Color Street Nails, Tupperware etc. LIMIT of 2 BOOTH SPACES. \*\*So that we can showcase a larger number of vendors inside the Muse Center, we will use our discretion on whether a vendor can reserve more than one vendor space.**
