From the PRESIDENT

Welcome to Pearl – A City of Growth and Opportunity!

It is an honor to serve as president of the Pearl Chamber of Commerce, and I am excited to welcome you to our vibrant and ever-growing community. Pearl continues to distinguish itself as a place where opportunity thrives, families flourish, and businesses feel right at home.

With more than 26,000 residents and a business community that now exceeds 1,000 establishments, Pearl is a shining example of what happens when strong vision, committed leadership, and community pride come together. Positioned at the “Crossroads of the South” and neighboring our state capital, our city blends small-town hospitality with the advantages of a flourishing commercial hub.

Public safety and quality of life remain at the heart of who we are. The Pearl Police Department and Pearl Fire Department are among the finest in the state, earning a long-standing reputation for professionalism and outstanding service. Their dedication helps ensure that Pearl remains a safe, welcoming place for families, visitors, and business owners alike.

Education is one of our community’s greatest strengths. The Pearl Public School District — along with Park Place Christian Academy and Hinds Community College’s Rankin campus — continues to set a high standard inside and outside the classroom. Whether in academics, the arts, or athletics, our students consistently demonstrate excellence and embody the spirit of “The Pirate Way.”

Pearl also offers something for everyone to enjoy. Local boutiques, family-owned restaurants, and major retail destinations such as Bass Pro Shops, Sam’s Club, Miskelly Furniture, and The Outlets of Mississippi, draw shoppers from across the region. Our proximity to the Jackson-Medgar Wiley Evers International Airport provides convenience for travelers, while our hotels offer warm hospitality to guests from near and far.

Recreation and entertainment thrive here as well. With three beautiful city parks, two premier 18-hole golf courses, and an active senior center full of programs and activities, there are endless ways to enjoy life in Pearl. Sports fans can join the excitement at Trustmark Park, home to professional baseball and a beloved gathering place for families throughout Central Mississippi.

As we look ahead, the Pearl Chamber of Commerce remains committed to supporting our businesses, encouraging new investment, and strengthening the connections that make Pearl such a remarkable place to live, work, and visit. Whether you are a long-time resident, a new business owner, or a guest discovering our city for the first time, we invite you to experience all that Pearl has to offer.

For more information about our Chamber and our community, please visit PearlMS.org or stop by our office. Our doors are always open, and we look forward to working with you.

CHRIS CHISM'S JOURNEY TO SUPERINTENDENT OF THE YEAR

Melanie McMillan

When Chris Chism looks back on the path that led him to become one of Mississippi's most recognized education leaders, he's the first to admit it wasn't a straight line. In fact, it began far from a superintendent's office, on a baseball field and in a college major he quickly realized wasn't the right fit.

"I was an environmental engineering major playing baseball at the University of Florida," he said. "I loved baseball, but by my senior year I realized engineering wasn't where my passion was. I transferred to Mississippi State, and that decision really changed everything."

His first job after college kept him close to the game he loved. He coached baseball and tutored math and science at East Mississippi Community College. After one year at EMCC, Chism spent seven years at New Hope High School as a teacher and assistant baseball coach, working with students and building the foundation for what would become a lifelong career in education. From there, he became head baseball coach at Hernando High School, and taught multiple subjects. He also created and taught an ACT/PSAT preparation course, an early sign of his passion for helping students find pathways to success.

At the time, becoming a school administrator wasn't part of the plan. "I never wanted to be an administrator," he said. "But I had people along the way who saw something in me that I didn't see in myself."

One of those people was mentor Lisa Steiner, an assistant principal who encouraged him to consider leadership and helped him recognize his potential beyond the classroom and ball field. That encouragement changed the course of his career, but, like many chapters in Chism's story, it began with an unexpected moment.

He recalls one tournament early in his coaching career when a sudden storm forced everyone to take cover under the stadium bleachers. Steiner happened to be among the group gathered there. As rain poured down, Chism struck up a conversation with her and several parents, a simple

exchange that would later open the door to a new opportunity at Hernando High School and a lasting mentorship.

"She saw leadership in me before I ever did," he said.

Her influence eventually led him to the Principal Corps program at the University of Mississippi, where he trained and interned at South Panola, gaining experience at both the elementary and secondary levels and learning the full scope of school leadership. From there, he stepped into an assistant principal role at New Albany High School before moving to Lafayette Middle School, where he continued to develop his leadership approach.

Another chance encounter would shape his path once again. While attending a conference, Chism ran into Ray Morgigno, then superintendent of Pearl Public School District. The two struck up a conversation, which led to an interview for the principal position at Pearl High School and ultimately brought Chism and his family to Pearl.

Chism went on to serve as principal of Pearl High School for seven years before being named superintendent. It was in Pearl that his leadership style fully took shape, rooted in relationships, high expectations, and a deep commitment to students, and where he helped lead significant academic growth and cultural momentum that continue to define the district today.

"A lot of things had to happen at just the right time for me to get where I am," he said. "When I look back, it's really about the relationships that were built along the way."

Those relationships remain at the heart of his leadership philosophy today. Whether serving as a teacher, coach, principal, or now superintendent of Pearl Public School District, he has focused on creating a culture where students and staff feel supported and valued.

His commitment to education is matched by his commitment to family. He and his wife, Ashley, the district's special education director, have built their lives around supporting students and educators. Their

daughter, Bailey, is a senior at Pearl High School, while their son, Cade, has completed welding certification and works as an electrician.

Chism acknowledges that moving for career opportunities was not always easy on his family, but their support has been constant throughout his journey.

“They’ve been with me every step of the way,” he said. “You can’t do this job without a strong family behind you.”

Some of his most meaningful memories center on individual students. During the COVID-19 pandemic, when graduation ceremonies were held one family at a time, he recalls hearing a commotion outside. After leaving the ceremony with his family, one of the graduates insisted on coming back because he wanted to see Mr. Chism.

“He was adamant that he wasn’t leaving without hugging me and saying thank you,” Chism said.

“Moments like that stay with you forever. That’s what this work is really about.”

Another early encounter with a student who had lost a parent left a lasting impression and reinforced his commitment to being present and accessible to students. Those experiences continue to guide his leadership and his sense of purpose.

Under his leadership, the Pearl Public School District has achieved significant academic and community milestones. The district has earned “A” ratings, while graduation rates have climbed dramatically, including a rise from 78% to 97% overall and from 28% to more than 90% for special education students. Students have excelled not only academically but also in athletics, fine arts, and service, earning state

championships, national recognitions, and setting records for community service efforts that have benefited organizations across Mississippi.

While proud of those accomplishments, Chism's work has also gained national attention in an unexpected area: artificial intelligence. He is widely recognized as an expert in the use of AI in education and beyond, delivering hundreds of presentations and helping organizations across the country understand how the technology can be used responsibly and effectively.

"AI is coming whether we like it or not," he said. "Our job is to make sure our students and teachers know how to use it in a positive way."

Chism has helped lead efforts to implement innovative, secure AI practices within the district

and has trained educators and leaders on how the technology can support learning and efficiency. His philosophy is rooted in a simple but powerful belief: when teachers are supported, students benefit.

"If I can help teachers get their work done faster and more efficiently, then they can go home and be with their families," he said. "That matters."

Despite national recognition for his work, including being named Mississippi's Superintendent of the Year, Chism remains grounded in the community he serves. He credits the district's success to its educators, students, families, and a supportive school board that encourages innovation and growth.

He also measures success in more personal

ways. After a conversation with a hospice nurse about what matters most at the end of life, he made a change. He began hanging notes from students, making them, and not his awards, the focal point in his office.

"At the end of the day, it's the relationships that matter," he said. "That's always been the most important part of this job."

For Chism, being recognized as Superintendent of the Year is an honor, but also a reflection of the people and community around him. And as he looks to the future of education in Pearl, his focus remains clear: strong relationships, innovative thinking, and a commitment to helping every student succeed.

Public LIBRARY

The Pearl Public Library, a branch of the Central Mississippi Regional Library System, is located in downtown Pearl right next to City Hall. Enter the main lobby and be greeted by brand new fiction, nonfiction, and audio visuals monthly.

Easy chairs, donated by the Pearl Friends of the Library, and wooden columns line the center of the library for a spacious and comfortable environment. Intriguing art hangs throughout the library, and if you visit the building in March, beautiful artwork by Pearl's finest students will be featured throughout.

"The Pearl Library has been a place of community for as long as I can remember," says Pearl Mayor Jake Windham. "In addition to a great resource for reading and research, it's a place where my children enjoy Story Time. Teenagers meet after school, and elderly people attend events. It's a great place to make new friends and come together as a community, which is a win-win for every community."

Our state-of-the-art computer lab is available for all of your business needs. We provide black and white and color printing, wireless printing, and scanning and faxing services. We also have a large meeting room, a conference room, and three study rooms that are available for the public to reserve.

The children's department is engaging with new books and displays each month with take-home crafts that are free to enjoy. Several story time events are

Clubs

Spring Lake GARDEN CLUB

Beautification to the city of Pearl is the main focus of the Spring Lake Garden Club of Pearl. The club maintains several gardens in the city: the Children's Learning Garden, Blue Star Memorial Garden, Plant-It-Pink Garden and more. Working with the senior adults at the Pearl Senior Center and students in the Pearl school district provides the club opportunities to share gardening information. The Bright Park Arboretum is an ongoing project to the club, which provides visitors an abundance source of information about trees. The Spring Lake Garden Club is federated with the Garden Clubs of Mississippi, Inc. and National Garden Clubs, Inc.

The Kiwanis Club of Pearl, chartered in 1996 after years with the Rankin County Kiwanis Club, is a service organization whose primary mission is to enhance the lives of children and youth in our community. The Kiwanis Club hosts two major fundraisers each year, which enables them to support their mission through the generous donations and sponsorships from community members and businesses.

The Annual Pancake Supper is a popular social event held at Pearl High School in November, and attendees can purchase tickets in advance from Kiwanis members or buy them at the door. Guests enjoy a delightful evening of food and fellowship in the Pearl High School Commons and participate in a raffle featuring an impressive array of items. The Pearl High School Key Club plays an important role in the success of the pancake supper as its 108 members actively contribute to various aspects of the event.

Sponsored by the Kiwanis Club, the Key Club instills leadership, servitude, and volunteerism in the student-led organization. Another notable fundraiser is the Annual Kiwanis Club Golf Tournament, a collaborative effort involving local businesses as well as city and county officials who come together for a fun-filled day of golf.

Kiwanis[®]

CLUB OF PEARL

The effort put in to make these events a success pays off as it allows the Kiwanis Club to fund the many service projects that benefit the community. Each year, the Kiwanis Club provides scholarships for Pearl High School seniors and “adopts” Pearl Upper Elementary School. They provide assistance to local families in need during Christmas as well as a Christmas Day meal for law enforcement and firefighters. These are just a few of the many services the Kiwanis Club of Pearl provides for the community each year.

The Kiwanis Club of Pearl meets for lunch every Tuesday at noon at Moss Creek Fish House on Riverwind Drive in Pearl. Prospective members are encouraged to attend and discover why the Kiwanis Club of Pearl stands as the city’s leading service organization.

WHERE TO GO FOR FUN, FAMILY & ENTERTAINMENT

Pearl, Mississippi, continues to grow as one of the metro area's go-to destinations for entertainment, offering a mix of family-friendly attractions, sports excitement, live performances, and seasonal events that draw visitors from across the region. Whether you're planning a weekend outing, a date night, or a full day of family fun, Pearl has something for everyone, and even more on the way. From baseball and holiday lights at Trustmark Park to mini golf, theatre, and new attractions on the way, Pearl's entertainment scene continues to expand.

A Home Run for Family Fun: Mississippi Mud Monsters

Baseball fans and families across Central Mississippi are discovering that summer at Trustmark Park feels a little different these days. The Mississippi Mud Monsters have brought new life, new energy, and a little bit of swamp-built personality to Pearl's hometown ballpark.

This isn't just nine innings. It's 6:01 first pitches that nod to the 601. It's themed nights that mix real, competitive baseball with creative, outside-the-box fun. It's kids racing around the bases after the final out. It's on-field contests, fan cams, dance breaks, and moments that make the whole stadium feel involved, not just watching.

The Mud Monsters have also made the

ballpark more accessible and welcoming than ever. Free parking removes the first barrier before you even walk through the gate. The stadium is pet friendly every single night, so fans never have to leave their four-legged family members at home. Youth teams line the field for high-fives. Local groups get their moment in the spotlight. Fireworks light up the sky on special nights, and every game brings a chance to be part of something bigger than the scoreboard. With a winning inaugural season and a focus on fan-first experiences, the Mud Monsters have quickly become more than a team. They're a gathering place. A summer tradition in the making. A place where baseball still feels authentic, but never

boring. Whether you're bringing your family, your coworkers, your church group, or your dog, the Mud Monsters deliver a big-league atmosphere with a Mississippi heartbeat.

Season to Remember: Southern Lights at Trustmark Park

Pearl shines brightly during the holiday season, and this past Christmas, the Mississippi Mud Monsters helped make that glow a little stronger. Trustmark Park was transformed into a fully immersive holiday experience with Southern Lights, created and produced by the Mud Monsters organization.

The ballpark that hosts summer baseball became a winter canvas of color, music, and

memory. Massive light displays filled the outfield. Synchronized light shows danced across the stadium structure. Families walked the concourse with hot chocolate in hand. Children met Santa under the same lights that shine over left field in July.

Guests laced up skates and took the ice on a real outdoor ice-skating rink set up inside the ballpark. Families gathered around real campfires to make s'mores together. What is normally green grass and warning track dirt became a place for winter laughter, bundled-up date nights, and kids experiencing snow-season magic in the middle of Mississippi.

Southern Lights was not just a seasonal event. It was a new tradition built locally and designed to keep Trustmark Park alive year-round. The response from residents and visitors alike was immediate and enthusiastic, reinforcing Pearl's growing reputation as more than just a summer destination.

By bringing Southern Lights to life, the Mississippi Mud Monsters showed that their vision extends beyond baseball. They are building a year-round entertainment experience for Central Mississippi, where the ballpark is just as full of joy in December as it is on Opening Day. Trustmark Park does not sit quiet in the offseason, it shines.

Tee Time with a Twist: Mac & Bones Mini Golf

For a lighter, laugh-filled outing, Mac & Bones Mini Golf offers a playful experience for all ages. The creatively designed course

features whimsical obstacles, bright colors, and plenty of photo-worthy moments, making it a popular stop for families, birthday parties, and casual date nights.

Located in the heart of Pearl's entertainment corridor, Mac & Bones adds to the city's reputation as a place where visitors can easily spend an afternoon or evening enjoying multiple attractions. Friendly competition and fun memories are always part of the experience.

Lights, Camera, Action: Cinemark Theater

For movie lovers, the Cinemark Theater delivers a modern movie-going experience with luxury seating, the latest blockbuster releases, and convenient access to dining and shopping. The theater continues to be a cornerstone of entertainment in Pearl, offering everything from family-friendly features and date-night options to special showings and premieres. Its location makes it easy to pair dinner, shopping, and a movie into one seamless outing, a combination that keeps visitors returning to Pearl for a complete entertainment experience.

Live on Stage: Pearl Community Theatre

For those who enjoy live performances and local talent, Pearl Community Theatre offers an engaging lineup of productions throughout the year. From beloved musicals and classic plays to youth performances and special events, the theatre provides a creative outlet for performers and a cultural destination for audiences.

The theatre's welcoming atmosphere and strong community support have made it a treasured part of the Pearl arts scene, drawing theatergoers from across the metro area to experience live entertainment close to home.

Let It Fly: ChunkiT Axe Games & BreakiT Smash Rooms

Looking for something active and a little different? At the Outlets of Mississippi, ChunkiT Axe Games and its next-door neighbor, BreakiT Smash Rooms, team up to deliver one of Pearl's most unique entertainment pairings, perfect for groups, date nights, or a full evening out.

At ChunkiT, guests can test their aim with real axes and end-grain target boards while

also enjoying a variety of interactive digital games that add a modern twist to the experience. It's a high-energy environment built around friendly competition, whether you're a first-timer or feeling a little competitive.

Just steps away, BreakiT Smash Rooms offers a completely different but equally memorable way to let loose. This one-of-a-kind experience invites visitors to safely "break away from stress" by smashing bottles, electronics, and other breakable items in a controlled environment. In addition to smash rooms, guests can explore paint splatter rooms, arcade games, and other interactive activities, making it easy to turn a quick visit into a full outing.

Together, the two attractions create a dynamic entertainment hub where visitors can throw axes, smash stress, and make a little noise along the way. Whether you're planning a team outing, birthday celebration, or just a fun night with friends, this side-by-side experience at the Outlets offers something you won't find just anywhere.

Something New on the Horizon: Spinners Coming to Pearl

Pearl's entertainment landscape continues to grow with an exciting addition on the way. The former Launch trampoline park is currently undergoing a complete transformation into a new Spinners location, bringing a fully reimaged indoor entertainment venue to the city.

Rather than a simple renovation, the building is being completely gutted and rebuilt, creating an entirely new experience from the ground up. The updated facility will feature all-new trampolines and padding, a variety of virtual and digital games, upgraded concessions, birthday party rooms, and modernized restrooms designed to accommodate families and group celebrations.

One of the most unique features planned for the Pearl location is something not currently found elsewhere in the region: a 25-foot-high indoor slide park, offering a high-energy attraction designed for kids, teens, and adventurous adults alike.

Spinners already operates a popular location in nearby Florence, Mississippi, and

the Pearl venue will have the same owners. With a projected opening in August 2026, the new attraction is expected to add another exciting option for families and visitors looking for active, indoor entertainment in Pearl.

A Destination for All Seasons

From baseball games and mini golf to movies, live theatre, and hands-on activities, Pearl continues to build momentum as a place where entertainment and community come together. With new attractions on the horizon and established favorites already drawing crowds, the city offers a growing lineup of experiences that appeal to residents and visitors of all ages.

Whether you're planning a family outing, a night with friends, or a special event, Pearl's expanding entertainment options make it easy to find something fun to do, and even easier to come back again.

Sections on the Mississippi Mud Monsters and Southern Lights at Trustmark Park were contributed by David Kerr, assistant general manager of the Mississippi Mud Monsters.

Tree of ANGELS

The Pearl Chamber started the "Tree of Angels" program in 2010 as a way to help families that needed help at Christmas. Counselors from the Pearl Public School District know where the needs are and communicate with the parent or caregivers to find out what each child would like to have and what they need. The counselors and student groups create the angels, and they are delivered to the chamber office where they are placed on the Christmas trees. The chamber promotes the angel adoptions and allows the public to come to the Pearl Chamber office to select their angels. The transaction is recorded and instructions are given for returning the gifts to the chamber. Once again, the counselors work tirelessly to pick up the gifts from the office and transfer them to the schools, where the teachers and staff from each school have a fun wrapping party before the gifts are to be picked up. Monetary donations are used for additional gifts and for food and other necessities. The Tree of Angels is the most rewarding program at the Pearl Chamber of Commerce.

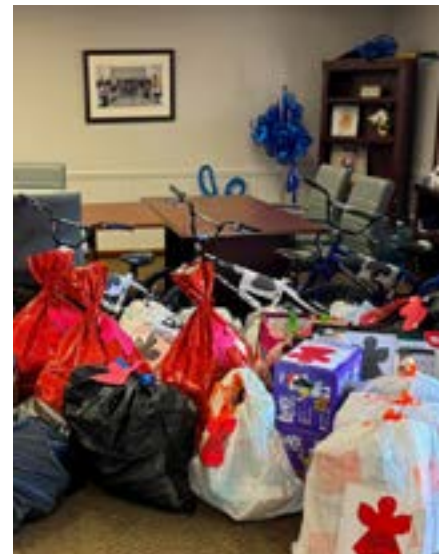

TREE OF ANGELS

Angels are from the Pearl Public School District. Please call the Pearl Chamber of Commerce office to schedule a time to select your Angel. Monetary donations will also be accepted and the funds will be used to purchase additional gifts and food items.

The Pearl Chamber office is located at 110 Lonnie Jenkins Drive near Kroger in Pearl. The deadline to return unwrapped gifts to the chamber is Wednesday, December 10th.

GOLF

Patrick Farms Golf Club is a semi-private club located just minutes off the interstate and about 10 minutes from the airport. The public is welcome! Patrick Farms hosts many events and fundraisers in our community, is home of the Mississippi Golf Association, and serves as one of the courses that annually hosts the state Father-Son-Daughter Championship.

Patrick Farms also features a 5,000 square foot clubhouse that consists of a grill, professional golf shop, members' lounge, and lobby and meeting room.

Patrick Farms Golf Club is all about enjoying the game of golf to its fullest—at an outstanding value. You will find it is one of the most affordable amenities in the south!

The Pearl Municipal Golf Course features 18-holes and 6,161 yards of golf from the longest tees for a par of 71. The course rating is 69.4, a slope of 123 on Bermuda grass. Designed by Frank 'Max' Maxwell Jr., the Pearl golf course opened in 1990. Scooter Myers manages the course as the director of golf. Please call 601-932-3534 to schedule a tee time.

April is always an exciting time of the year in Pearl because that's when baseball season begins! The Mississippi Mud Monsters began their inaugural season in April 2025, and the excitement is still in the air! With the addition of the new franchise, professional baseball will be in Pearl for the 22nd straight year at Trustmark Park.

The Mississippi Mud Monsters competes in the Frontier League as a member of the West Division in the Midwest Conference and the team plays its home games at Trustmark Park, an 8,480-seat stadium complete with suites, party decks, a large picnic pavilion, kids inflatable play area, team store, a restaurant, and bar. Trustmark Park is conveniently located just off Interstate 20 at the Pearl exit.

April 22nd is Earth Day and the Pearl Chamber of Commerce hosts an annual recycling and document shredding event. Bring all of your old computers, TVs, and other electronics for disposal as well as your documents, files, and other confidential information that you would like to have shredded. April is also a time for spring clean-up in the city of Pearl. Residents can have the city grounds employees come by and pick up their old washers, dryers and other items that they would normally have to haul away. For more information call the chamber at 601-939-3338.

The Mayor's Prayer Breakfast is the official kick-off for the annual Pearl Day Festival. Arts and crafts vendors from all over the area sell everything from homemade jelly and salsa

to jewelry and handmade duck calls. Live entertainment is on the stage with local artists and dancers performing all day.

And there is no other place that you'll want to be on July 4th weekend than at Trustmark Park for the largest fireworks show in Central Mississippi!

One of the chamber's most popular events is the Girls Night Out Fashion Show. The fun begins with a walk on the red carpet to the photo area where complimentary photos are taken. When the ladies reach their seat, a "swag bag" awaits them that is filled with all kinds of fun gifts such as jewelry, lip gloss, makeup mirror, and great discount coupons.

The buffet lines are filled with an incredible array of delicious food, desserts and drinks. With many amazing local retailers participating, 75 models will be strutting their stuff in all of the latest fashions. Each merchant emcees their segment and awesome door prizes are given away in between retailers. The participating retailers set up vendor spaces and shopping is available both before and after the fashion show! It is truly the best Girls Night Out event anywhere around!

September means one thing in the city of Pearl—high school football. The Pearl Pirates and the Park Place Christian Academy Crusaders leave it all out on the field as they play their hearts out for their school and their many loyal fans.

The Pearl Chamber of Commerce holds the annual two-flight golf tournament in October of every year at the Pearl

Municipal Golf Course. It is a lot of fun and all the golfers receive nice door prizes and a great lunch for participating.

Halloween is also a fun time. Pearl Parks & Recreation hosts a Fall Fest that is a free event with games, inflatable jumpers and businesses and churches set up giving out candy and treats. For information contact Pearl City Hall at 601-932-2262.

The first Saturday in December is the date for the much-anticipated Jingle Bell Market, one of the largest events held in the city of Pearl. The festival is held at the Clyde Muse Center at Hinds Community College in Pearl. This fun-filled day will include over 150 arts and crafts vendors, food vendors, live entertainment all day, and pictures with Santa for kids and pets. We have over ten thousand people in attendance every year and that number is growing by leaps and bounds! Jingle Bell Market is a one-day festival. The Pearl Christmas parade is held on Saturday night in early December and is complete with marching bands, floats and of course Santa Claus!

The Pearl Chamber of Commerce is a proud supporter of the Officer, Firefighter and City Employee of the Month awards. Member businesses donate gift cards, gift baskets, sweet treats and much more to make the award even more special to the very deserving recipient.

FIRE Department

The City of Pearl is proud to have two new much-needed fire stations that will be a total game-changer for the Pearl Fire Department and the residents of Pearl. Construction of the new Central Fire Station was necessary due to the significant foundation issues at the former location. It had become unsafe for the firefighters to continue to operate from that location. Central Fire Station is located on Hwy. 80 in the location of the old Pearl Library. Fire Station #5 is located off Greenfield Road on Community College Boulevard. With having a fire station on the east side of the city, the response times are much faster, and they are able to provide life-saving services in a quick time frame. The city has invested 9 million dollars on both facilities and also has a new 1.4 million dollar state-of-the-art 75-foot ladder truck to better serve the west side of Pearl.

Thank You to the Pearl Chamber of Commerce for all you do to help promote Rankin County and everything it has to offer.
We're proud to be a member of this important network!

Frisco Deli

WORKING WITH NUMBERS

CAMILLE ANDING

At age fourteen, Mitchell Malouf suffered a major loss in the death of his dad. Without the main provider, Mitchell's mother told her teenager he would have to ask his uncle for a job. Dropping out of school to work was Mitchell's hope, but his mother said he would finish school *and* get a job. Thus began the instilling of a work ethic that's grown and thrived over the years. At the healthy age of eighty-four, Mitchell still goes to work every day at his hugely popular restaurant – Frisco Deli.

Mitchell not only learned a strong work ethic at an early age, he continued his education and earned an accounting degree at Ole Miss. It was a perfect fit for this Malouf who was gifted with numbers. During his junior year, universities nation-wide were given the same accounting quiz to determine the best accounting department among the universities. Malouf and his professor took the quiz. His professor scored 185 and Malouf out-scored his professor with a 198 – the two highest scores in all the universities.

However, the accounting numbers didn't fulfill the spirit of entrepreneurship that drove Mitchell to other challenges. He added the title of realtor to his list for several years. He and his brother-in-law, Paul Couch, opened the Malaco Recording Studio in Jackson and hung artists' gold and platinum records on its walls. An Army stint was another part of his years.

Some of Malouf's older customers remind him of the good times they shared when he was owner of The Zodiac and Hullabaloo in Jackson, two entertainment enterprises Malouf operated and sold after two years. He tried event planning in Jackson for famous entertainers, but the "numbers" weren't right for Malouf. The perfect fit was still waiting.

Then that opportunity came when his brother-in-law saw an ad in an Arizona magazine for a chain restaurant – the Frisco Deli. He pointed it out to Mitchell, and in 1984 Mitchell opened that restaurant in the Metrocenter, a popular restaurant that was no longer a chain but a Malouf business. Success called for an additional location in 1985 at Northpark Mall.

In 1993, Frisco Deli opened in Pearl and immediately began drawing customers throughout the area. Malouf's son, Mitchell Jr., who had worked at the Metrocenter location for sixteen years, joined his dad at the Pearl location. You'll find him working in all areas of the restaurant like most of the other seven employees along with the four family members who call the Frisco a great place to work.

Mitchell Sr. is quick to share his goal of making his employees and customers satisfied. He and wife, Judy, see the business as God's blessing, and Mitchell readily affirms, "Jesus was Lord before we ever opened up." Judy is in charge of all the business filings and helps take care of loose ends at home so Mitchell can be at work every weekday.

Mitchel describes himself as an "honest and hard-working" boss. As for perks for the employees, Mitchell understands that part-time work doesn't pay the bills, so he offers forty to sixty hours of work a week for those that want it.

The longevity of several on the restaurant's payroll confirms the healthy work culture at Frisco Deli. Judy admits

that being a little crazy is descriptive for part of the team. Arthur Harris, one of the twenty-year employees, was working the drive through when a customer examined her rib order and complained that one was burned. Arthur asked to see it and proceeded to take a bite. He told the customer it didn't taste burnt to him! Mitchell Jr. who has the gift of seeing and hearing all that goes on around him, quickly offered her another rib or a refund.

The most challenging part of Malouf's operation of the restaurant is the food costs. When his son added catfish to their menu, it jumped to being a great seller. That cost was initially \$38 for a case of Superior Catfish by the Mennonites out of Macon, Mississippi. It's now \$91 a case and has gone as high as \$104 a case. Raising prices ranks low on Malouf's philosophy on restaurant operations.

Malouf makes no apologies for his search for a good deal. He visits at least three different companies to shop for groceries, making him a familiar face to their employees. Judy said, "He's like a rockstar when he goes in – everyone knows him."

When Covid shut down so many businesses, Frisco Deli broke records with its sales. They clocked ninety orders served through their drive-through window in a one-hour sequence!

That's the kind of operation the employees run at Frisco Deli. Malouf insists that they serve the best food at a reasonable price, quickly, and that the customers leave there pleased. They also showcase seasonings and recipes that are family creations. However they do not adhere to the saying: "The customer is always right." They believe that every item served to their customers is first quality, and they are always willing to correct any issues the customers might have.

April 1 falls on a Wednesday this year and, God willing, customers will find Mitchell Malouf somewhere in the Frisco. Wish him a happy 85th birthday, and just be assured that the old saying about April Fool's Day has no connection at all with this very fulfilled and successful numbers whiz.

SALUTE

to First Responders

Chief
**Nick
McLENDON**
PEARL POLICE DEPARTMENT

Tell us a bit about your journey to becoming Pearl chief of police?

I started as a reserve officer in 2004 at Pearl while in college, then came on as a fulltime patrolman and later moved to the drug interdiction unit. I had an opportunity at a neighboring department where I spent 15 years in various roles—from investigations to captain—and eventually became the chief of that department. When the opportunity arose to return to Pearl, it felt like a calling. Coming back to serve the community that raised me was a full circle moment in my career.

How long have you been an officer?

22 years.

What does it mean to you personally to take on this role in Pearl?

It brings me tremendous pride to represent the City of Pearl because this is where I was born and raised. Serving and protecting the community that shaped me carries a special weight. Whether it's honoring civic responsibilities or standing against the evil in this world, I'm grateful for the chance to serve the people who mean so much to me.

What experiences or mentors have shaped your leadership style the most?

I was blessed to work under two chiefs who greatly influenced the leader I am today. Their leadership styles were very different, but each taught me valuable lessons. Chief Russel James emphasized that the needs of your employees should come before your own and that priorities must stay in order: faith, family, the job. I've carried these principles forward and continue to share them with young officers as they grow in their service.

What are your top priorities for the department over the next 12 to 24 months?

My goal is to raise up future leaders in law enforcement. This job is not about me—it's about investing in others so they have the tools and support to serve our community safely and proactively. We border one of the most violent cities in America, and our culture of constitutional, proactive, accountable policing helps ensure our mission is clear: if you come into our city to break the law, you will be held accountable. It's an approach that may not please everyone, but it's one that Pearl's law-abiding citizens appreciate.

How do you plan to strengthen the department's relationship with the Pearl community?

By continuing to be present and proactive. Not every interaction should be enforcement related. Positive, everyday connections with our residents build trust and show that we're here to serve—not just respond.

What drives you to continue serving in this field after so many years?

I find fulfillment in leaving things better than I found them. Whether in leadership or on my farm, I enjoy using my abilities to improve whatever mission I'm working on. Service has always been at the heart of what I do.

What advice would you give to young people considering a career in law enforcement or emergency services?

This isn't a job—it's a calling. Your mindset shapes everything. Some days will test you, and others will reward you in ways few careers can. A strong support system is essential to keep you grounded and focused on serving others.

What is your favorite thing about the city of Pearl?

The sense of pride and community. It's always a great day to be a Pirate.
